

GEITH CONTROL BOX

- ▶ Geith is proud to lead the way on Coupler Safety and is pleased to introduce a new control system for its hydraulic couplers. With its simple and safe operating sequence, the IP65 and CE compliant device satisfies the present and developing safety requirements (ISO 13031).

Features & Benefits:

- ▶ Easy installation and improved performance
- ▶ User friendly with increased safety and audio warning
- ▶ Plug & Play Installation with Suction Pad Holder
- ▶ Bypass Button allowing you to remove particular attachments such as pallet forks (as example) without having to curl in the coupler to release the attachment
- ▶ IP65 rated (high dust and water resistance rating)
- ▶ Maintenance friendly and compatible with previous control box*
- ▶ Can be used to power LED warning beacons and Audio devices for additional safety features

* with minor changes

Technical Specifications:

Part Number	Description	Weight (kg)
701000028848	CONTROL BOX GEITH	0.19
701000028850	CONTROL BOX GEITH C/W HARNESS AND HOLDER	0.97
